Kazuals Netball Club will commemorate its 25th anniversary with a celebration at the end of the month.

Coincidentally the club has grown to have 25 teams and is now the biggest in the Geraldton Netball Association.

President Adelle Auld hopes friends of Kazuals will join in the festivities.

"We are a very social, interactive and inclusive club," she said.

"This is a good way to welcome our new members and thank our past members for their contribution over the years."

Kazuals mascot Scraggy will be making an appearance with her renowned husband Steve Pawelski.

All past and present members, players and supporters are urged to join them in honouring 25 years of netball camaraderie.

The theme for the night is "cocktail" and tickets are limited.

It will be held at Railways Football Club on July 28.
